

Speech Rehab Services

5 IMMEDIATE OPENINGS- ALL FLORIDA LOCATIONS FOR CF AND CCC-SLP's

Job Title(s):

Speech-Language Pathologist

Job Summary:

Becoming a member of our well established speech-language pathology company offers tremendous opportunities for growth in the SLP field. We have a variety of placements ranging from pediatric clinical settings and schools, to rehab facilities and home healthcare placements. Our company provides unique opportunities for CF & CCC-SLP positions. **Few other companies can claim the benefit of a school placement without a restrictive/non-compete agreement.** We are an SLP owned company that provides only SLP services to our community. Due to our strong Florida SLP focus, we are able to offer comprehensive professional support, personal attention, and ongoing training that few other companies are able to provide. We are looking for committed, caring SLP's that want to make a difference in their community.
