

OPENING: START SUMMER 2009

SPEECH-LANGUAGE PATHOLOGIST

Position available to suit your career needs and lifestyle:
Full-time salaried SLP. CFY candidate
welcome. Bilingual (Spanish/English) a plus but not required!

Setting:

Join our well-established private practice in the Northern California Wine Country. We are located in Santa Rosa, less than an hour north of San Francisco and the coast, three hours from world-class skiing at Lake Tahoe, and within minutes of hiking, biking, kayaking, water-skiing, fishing, and wine-tasting!

Benefits:

Generous Salary
Health Insurance
Continuing Education
401K

Career Opportunities: Research & Publishing

Caseload:

Varied with emphasis in early intervention for delayed speech and language development, autism and autism spectrum disorders, auditory processing disorders, and articulation. We offer social skills classes for children on the autism spectrum. In addition, we serve a small population of Spanish-speaking and adult patients as well as provide LSVT® therapy for patients with Parkinson's disease.
