IX. FACULTY AND CURRICULUM DEVELOPMENT, ADMINISTRATION, AND LEADERSHIP

University of Central Florida

- Leadership responsibility for: 5 staff, 30 full-time faculty, and 17 annual adjunct faculty (1,350 undergraduates, 260 Masters level students, and 10 PhD students)
- Reorganization of the departmental budgeting and reconciliation processes, strategic planning and advertising, human resources, and performance evaluation
- Standardized the CPE Review Process including standard binders and review process. Expanded review to Associate Professors
- Peer and chair evaluations of teaching (all Assistant and CPE Associate Professors in 2015/2016). In 2016/2017 this review will add all PhD students teaching, adjuncts, and FT faculty with satisfactory ratings.
- Curriculum development, evaluation, and modification: 1. Dual MPA/MSJ program at UCF), 2. New 4-credit hour methods, data, and careers at undergraduate level, 3. New Capstone for MSJ, 4. Teaching in Higher Education at the Ph.D. level
- Collaboration with Regional and UCF Program Quality for Southern Association of Colleges and Schools Accreditation (SACSCOC) for Valencia East and Valencia East Public Safety
- Integrated Planning and Advising for Student Success in Higher Education (iPASS) Pilot
 - Developed a detailed curriculum and career map for the Criminal Justice. This will be integrated into the student information system that will bring information to students, advisors, and faculty in a holistic and timely manner.
 - Goal: improving engagement, retention and graduation rates of at risk students in the 2.0 to 2.59 GPA range by providing: 1) a collective snapshot of progress and a road map to planning for successful degree completion, 2) increasing

interventions and alerts for students with risk factors, and 3) minimizing excess hours to successful graduation.

- Developed a stand-alone (static) module now embedded in Canvas course shells.
- Academic Affairs EAB SSC initiative and career mapping (Criminal Justice as a pilot)
 - The SSC incorporates predictive analytics, communication and workflow technology, best practice research, customized consulting support, and peer benchmarking and collaboration. Goals: increase graduation rates, reduce the time to degree, minimize the number of credit hours attempted, incorporate student success measures through program review, and promote scholarly engagement with student success.

University of Colorado Colorado Springs
