EDUCATION

Ph.D. (1996) Administration-Health Services, Univ. of Alabama at Birmingham

- Joint Program with School of Business and Department of Health Services Administration (HSA)
- HSA program has been nationally ranked in the top 10 by *U.S. News & World Report* for more than 15 years.
- *Outstanding Graduate Student Award* in Health Services Administration
- Dissertation Title: Environmental and Strategic Determinants of Stakeholder Proactivity: A Study of Medical Group Practices.
- Collaborated on major study of health professionals funded by Alabama state agencies; Medicaid, Health Planning & Development, and Office of Rural Health.

M.H.S.A. (1985) The George Washington University, Washington, D. C.

- Major: Health Services Administration, Acute Care Management
- Minor: Medical Group Practice Management and HMOs
- American College of Health Care Executives Top Student Paper Award (1985)

Veterans Administration Medical Center, Washington, D. C.

- 12-month Residency in Hospital Administration, 1984
- Postgraduate Traineeship in Health Systems, 1985-1986

B.A. (1972) Emmanuel College, Boston, Massachusetts

- Major: French Literature
- Minor: Education

Health Care Research Interests: Innovation, mHealth (mobile health technologies and applications), Retail Health Clinics, Healthcare Marketing, Labor Relations, Human Resources Management, Leadership and Management, Strategic Management/Environmental Assessment, Healthcare Entrepreneurship

ACADEMIC EXPERIENCE

2003- Present

University of Central Florida
College of Health and Public Affairs
Dept. of Health Management & Informatics
Health Services Administration Program

- Visiting Assistant Professor (2003-2005)
- Assistant Professor (2006-2009)
- Associate Professor (2009-Present)

Research Highlights at UCF

- Fall 2015 – Spring 2016, Researchgate reported over 2,000 publication views and showed achievement of most viewed researcher from HMI Department
- Co-editor and contributing author to Handbook of Healthcare Management, Elgar Publishing (July 2015).
- Appointed to the editorial board of the journal, mHealth (2015-2018).
- Guest Editor, Journal of Integrated Design and Process Sciences Special Issue on Design of Health Information Systems (2016)
- Coauthored a scholarly book, Malvey, DM & Slovensky, DJ. (2014) *mHealth: Transforming Healthcare*. New York, NY: Springer Books. This book has been licensed through China Machine Press and translated into Chinese with an initial distribution of 5,000 copies. Since its online publication on July 15, 2014, there has been a total of 8,236 chapter downloads for the eBook on SpringerLink. This means the book was one of the top 25% most downloaded eBooks in the relevant Springer eBook Collection in 2015.
- Awarded a sabbatical for Fall Semester 2013 for research purposes.
- Co-authored a scholarly book, *The Retail Revolution in Healthcare*, which examines the trend toward retail healthcare and implications for consumers, employers, policymakers, insurers, and providers (Praeger Publishers, February 2010). Selected for a *Choice Review* by the American Library Association and received a recommendation for adoption by all public and private university libraries.
- Awarded highly competitive research grant from the *IBM Center for Healthcare Management* to study patient flow in a local public health department in Florida.
- Awarded a UCF Community Partnership Grant.
- Published articles in top peer-reviewed journals, including *Health Care Management Review*, which is ranked in the top 5 according to recent studies.*
- Appointed to Editorial Advisory Board of *Health Care Management Review*.
- Journal articles abstracted in *ABI Inform*, premier research data base for business and management.
- Published book chapters in well-known textbooks adopted by accredited programs.
- Created a *research partnership* with UCF librarians to conduct an IRB approved study of blogging in online classes.

- Engaged in mentoring graduate student research. Mentored UCF's first winner of American College of Health Care Executives (ACHE) Essay Competition.

* Journal ratings information based on most recent studies indicated below:

(1) Williams, E. S., Stewart, R. T., O'Connor, S., Savage, G. T., and Shewchuk, R. (September 2002). Rating Outlets for Health Care Management Research: An Update and Extension. *Medical Research and Review*, 59 (3), 337-352.

(2) Shewchuk, R.M, O'Connor, S. J., Williams, E. S., & Savage, G. T. (2006). Beyond Rankings: Using Cognitive Mapping to Understand What Health Care Journals Represent. *Social Science & Medicine*, 62, 1192-1204

Research Interests at UCF

- Identifying and studying innovation, including cutting edge trends in health care
- mHealth research, including telemedicine and using mobile devices for diagnosis and treatment as well as cost reduction and quality improvement
- Strategic external assessments of health care environment
- Proactive responses to emerging trends in health policy, management and marketing
- Unionizing in health care facilities
- Human resources applications in health care
- Leadership in health care facilities
- Recognizing emerging trends in health services administration education and identifying innovative responses.

Professional and University Service Highlights at UCF

- Appointed by Florida's Governor (and reappointed) to serve as a member of the State's *Cancer Research Advisory Board* (1997-2005).
- Invited to deliver a lecture at *Physician Grand Rounds*, Department of Anesthesia, Beth Israel-Deaconess Medical Center, a major teaching hospital of *Harvard Medical School*, Boston, MA (October 2003).
- Developed, coordinated, and co-chaired *Conference on Diversity and Disparities in Health Care* for UCF's Diversity Week. Approximately 80 attendees during half-day Orlando Campus Conference (2006).
- Initiated development of Student Chapter of Medical Group Management Association (MGMA) at UCF.

Teaching Highlights at UCF

- Recipient of the 2011 Teaching Incentive Program Award (TIP),

- Recipient of a Best Practice Award for Online Learning (2008)
- Development of a social network for healthcare – *Healthcare Waiting Room*, which is used in teaching students about the use of social networks in marketing
- Created a *Build a Mobile App* assignment for healthcare marketing course
- Created an innovative collaborative teaching and learning model that partners faculty, students, and *embedded* UCF librarians to achieve UCF's information fluency goals.
- Introduced *corporate style blogging* to online graduate courses.
- Recognized as an exemplar in teaching with emerging technologies.
- Selected for *Faculty Spotlight* in UCF e-Faculty Newsletter (June 2006).
- Created a new graduate elective course, *Healthcare Leadership* that incorporates new elements of e-leadership and socialnomics
- Incorporated library research module into all course delivery formats.
- Created a negotiation exercise, *No Raise for You!*
Created a comprehensive online teaching module, for human resources management course, entitled *You're Fired!*
- Developed *Internet Marketing Assignments* that challenge students to develop marketing strategies and tactics for implementation on the web.

- Doctoral Level Courses Taught, Ph.D. Program in Public Affairs
 - HSA 7930 Part I: Special Issues in Health Services Administration, Theories in Healthcare Management

- Graduate Courses Taught (Web, Mixed Mode, Lecture)
 - Health Care Organization & Management II (HSA 6108)
 - Health Care Organization & Management I (HSA 6119)
 - Health Services Marketing & Management (HSA 6128)
 - Health Care Human Resources Management (HSA 6185)
 - Health Care Quality Management (HSA 6385)
 - Advanced Risk Management & Managed Care (HSA 6505)
 - Health Care Issues and Trends (HSC 6636)
 - Health Care Ethics (HSC 6636, HSC 6938)
 - Health Planning & Policy (PHC 6146)
 - Health Law (PHC 6420)
 - Health Care Leadership (HSA 6511)

Graduate HSA Courses also delivered at a variety of UCF Regional Campuses (Daytona Beach, Cocoa, and Palm Bay campuses).

- Undergraduate Courses Taught (Web)
 - U.S. Health Systems (HSA 3111)
 - Principles of Managed Care (HSA 4109)
 - Risk Management Systems (HSA 4502)
 - Health Sciences Research Methods (HSA 4702)

OTHER ACADEMIC EXPERIENCE

2013-2016, Brown University, Executive Health Management & Leadership Program
Adjunct Associate Professor, Teaching Health Care Marketing

1997-2002, University of South Florida, College of Public Health

- Assistant Professor, Department of Health Policy and Management
- Research Highlights:
 - Ten presentations, including two peer-reviewed paper presentations at the Academy of Management.
 - Five peer-reviewed journal articles published in top journals.
 - Three chapters in prominent textbooks, including a solo authored chapter.
- Teaching Highlights:
 - *Outstanding Teacher of the Year Award*, College of Public Health (1999-2000).
 - Responsible for teaching graduate courses in health policy and management.
 - Created and taught a course, *The Business of Public Health* in the Executive MPH Program for MDs and Senior Level Executives.
 - Awarded instructional course development grant (1998-1999)
- Service Highlights:
 - Leadership positions
 - Vice President, College Faculty Assembly (2000-2002)
 - Historian/Secretary, College Faculty Assembly (1999-2000)
 - College Faculty Steering Committee (1999-2002)
 - Executive Committee, USF Phi Kappa Phi (1999-2002)
 - Florida Department of Health, Privatization Committee (1999)
 - Department and College Level Service
 - Chair, Department Admissions Committee
 - Memberships included College Curriculum Committee, Student Affairs Committee, Laboratory Safety Committee, Courtesy Appointments

1996-1997, The University of Arkansas at Little Rock

- Assistant Professor, Graduate Program in Health Services Administration
- Responsible for teaching graduate courses in hospital administration, health care management, human resources management, and health policy.
- Faculty liaison, student organizations & administrative residencies, directed studies.
- Appointed to Faculty College Council

1992-1996, The University of Alabama at Birmingham

Ph.D. Program in Administration-Health Services,

- Research Assistant (1992-1993)
- Research Fellow (1993-1995)

1988-1992, Marshall University, Huntington, WV

- Adjunct Instructor, Management Department, College of Business
- Taught undergraduate courses in labor relations and health care management.

PROFESSIONAL EXPERIENCE (NON-ACADEMIC)

1986-1992: Management Consultant Medical Management Associates

1997-1983: Administrator, Private Practice Section, American Physical Therapy Assoc., Washington D. C. Established and directed national headquarters office for association.

1976-1977: National Citizens Committee for Broadcasting, Washington, D. C.
Media Planner/Executive Assistant to Chairperson, Nicholas Johnson, a former Federal Communications (FCC) Commissioner.

1974-1976: The George Washington University, Assistant to Engineering School Dean.

1973: U.S. House of Representatives, Washington, D. C., Legislative Assistant to the Honorable H. J. Heinz, III, M.C.

SCHOLARLY AND CREATIVE WORKS

- Gurupur, V., Wan, T., Malvey, D., & Slovensky, DJ., eds. (2016). Special Issue on Design of Health Information Systems. Journal of Integrated Design and Process Science. STM Publishing House.
- Fottler, MD, Malvey, DM, & Slovensky, D. J. (*Editors & contributing authors*) *Handbook of Healthcare Management*, Edward Elgar Publishing Ltd. November 2015.
- Malvey, DM & Slovensky, DJ. (2014) *mHealth: Transforming Healthcare*. New York, NY: Springer (Business and Economics Division).
 - Since its online publication on July 15, 2014, there has been a total of 8,236 chapter downloads for your eBook on SpringerLink
 - The book was one of the top 25% most downloaded eBooks in the relevant Springer eBook Collection in 2015.
 - This book has been licensed for translation and publication in Chinese with China Machine Press (5,000 copies initial publication).
 - This book was also made available on Apple iTunes and Google Play
 -

- Co-creator of a social network for healthcare, including conceptual development and a website, *Healthcarewaitingroom.com*. The website is constructed using a portal approach. The website offers forums, blogs, and access to social media such as Twitter and Facebook, and social reading and publishing opportunities. This work reflects development of online entrepreneurial activities combined with social justice goals of empowering the consumer with both information and a collective voice. In addition, this work demonstrates how to use social media for marketing purposes and how to monetize network and website activities to achieve sustainability. This website was used in the teaching of the health services management and marketing course, hsa6128 (2011-2012).
- Co-authored a scholarly book of original research (@65,000 words), *The Retail Revolution in Health Care*. Praeger Publishers/Greenwood Publishing Group: Santa Barbara CA (2010). With M. Fottler. The book was selected for a Choice Review by the American Library Association and was recommended for adoption by public and university libraries (October 2010).

PEER-REVIEWED PUBLICATIONS IN PRINT

- 26 peer-reviewed articles in top rated journals in field
- 10 articles as lead author
- 3 articles indexed/abstracted in *ABI Inform*, the premier business and management research data base.

1. Dewar, A. R., Bull, T. P., Malvey, D. & Szalma J. D. (March 31, 2016). Developing a measure of engagement with telehealth Systems: The mHealth Technology Engagement Index. *Journal of Telemedicine and Telecare*. DOI: 10.1177/1357633X16640958
2. Bull, T. P., Dewar, A. R. Malvey, D. & Szalma J. D. Considerations for the Telehealth Systems of Tomorrow: An Analysis of Student Perceptions of Telehealth Technologies.. *JMIR Medical Education* (forthcoming).doi:10.2196/mededu.5392 <http://dxdoi.org/10.2196/mededu.5392>

Note: This journal is highly selective (25%) acceptance rate and only publishes papers which they think will have considerable impact on the field and will be cited often.
