FACULTY & STUDENT UPDATE

Monday

7th Public Service Career Showcase

Last Thursday the 7th Annual Public Service Career Showcase provided students, alumni, and employers an opportunity to network and connect. The showcase was hosted jointly by the College of Health and Public Affairs, UCF Career Services and the following student organizations: **Organization for Public Administration (OPA)**, Bachelor of Social Work Student Association and **Master of Public Administration Student Association (MPASA)**.

Tuesday

Central Florida ASPA

Thursday

Dr. Bryer Wins Teaching Award

For the second consecutive year **Dr. Bryer** won a prize for writing an original teaching simulation for Syracuse University's Program on the Analysis and Resolution of Conflicts Collaborative Governance Initiative competition. The competition encourages the development of teaching cases and simulations on the topics of collaboration and networking. This year, Dr. Bryer won for a simulation entitled "*Developing a Young Professionals Network for the Arts*," written with local young professionals consultant Kristin Stewart. The prize is an honorable mention with an award of \$1000.
