

CALENDAR OF EVENTS	WEEKLY UPDATE
	KUDOS TO OUR STUDENTS
Monday	<p>La Toya Dowdell has secured a position as a Management Intern with Pinellas County. She will work in the departments of Management and Budgeting, Community Development, County Administrators, and Human Services. This is the first year of the program, and La Toya will be establishing the bar for performance for this new program.</p>
Tuesday	<p>Yvonne Kimball has accepted a unique FCCMA supported initiative in Brevard County. This is a new initiative to provide a recent graduate with unique opportunities to further her career. Yvonne will work with three different cities as a Management Intern to learn about the differences and similarities in working in cities of different sizes.</p>
Wednesday	<p>Rebecca Reis, Manager of Marketing and Communications for Heart of Florida United Way and MPA student, was recognized by eWomenNetwork, the fastest growing membership-based women's business network in North America, as an "Emerging Leader" finalist. This international recognition came as a result of nominations from businesswomen in Orlando, recognizing of her outstanding leadership abilities, accomplishments and commitment to serving others. Rebecca was selected to represent her community at the eWomenNetwork International FemtorO Awards Gala during the 6th Annual International Conference and Business Expo in Dallas, July 13-16. She was chosen as one of only 24 international finalists from more than one thousand entries.</p>
