Dear UCF Faculty and Staff,

As many of you know, Dr. Cheryl Evans Green passed away on October 2, 2007. She was an Associate Professor in the School of Social Work and held many other positions in the school during her time at UCF. She received several faculty awards, mentored countless students and colleagues and was funded over \$250,000 in grants for her research in the field of social work.

Dr. Green was always on the alert to help family, friends and students. Her influence will long live to be felt by those who were encouraged, helped and cheered by her advice. The UCF community has lost a noble, faithful, tirelessly working member and we will feel her absence for a long time to come. She was a soul with infectious laugh and witty humor, constantly speaking words of encouragement and urging her colleagues to higher and nobler ideals. By her kindly disposition and selfless dealings with her associates, she endeared herself to all, the memory of which will be a worthy monument to her dedicated life.

In memory of Dr. Green, a scholarship has been established by her family, friends and students. The Dr. Cheryl Evans Green Memorial Scholarship Award is being established as a worthy monument to preserve the cultural legacy of her selfless giving and influence in the lives of students, community and organizations. This non-deferrable scholarship will be given each year to a deserving student from marginalized communities whose needs are not addressed in the mainstream. The scholarship will be awarded to a student from the College of Health and Public Affairs, African American Studies Minor or Students in the Black Faculty and Staff Association Legacy Mentoring Program.

In the spirit of this scholarship in memory of Dr. Cheryl Evans Green, once recipients have completed their award year, they will be encouraged to give back via community service, mentoring awardees, and/or encouraging others to support the Dr. Cheryl Evans Green Scholarship.
